me: Surreal Estate

BushwickBK.com: it is revolting
me: I have little choice
BushwickBK.com: I find that hard to believe

me: gonna stay with a couple of girls for a week or so
me: then I need to have a place
me: my money's been sunk into paying back that landlord for degenerate roommates who didn't pay rent
me: gotta buy a new laptop ASAP
BushwickBK.com: ah
BushwickBK.com: yeah
me: things will be considerably better soon, I wouldn't have to stay there for very long
me: someone's calling you out on the condo piece
BushwickBK.com: yeah that's typical
BushwickBK.com: anything short of a video of me throwing my own feces at the development is a shill piece
